Bible Truths	63	Why should Christians join and support a church? Christians should be actively involved in a local church for the following reasons: it identifies them as true believers in Jesus Christ (Eph. 2:19); it places them in an environment where they will be encouraged and guided in their Christian walk (Heb. 10:24-25; Gal. 6:1-2); it provides for them an opportunity to discern and use their gifts in ministering to others (I Cor. 12:4-27); it makes them accountable to other Christians as they mature spiritually (Eph. 5:21); it provides for them an opportunity to be good stewards for God of their time, money, and talents (II Cor. 9:6-8; Rom. 14:12); and it puts them under the authority and protection of spiritual leaders (Heb. 13:17; Acts 20:28-29).—
