### **"Fundamentals of a Healthy Marriage Relationship"** *Rev. Neil Kim*

The proper understanding of the basic principles for marriage can help us experience a greater sense of fulfillment for our marriage relationship.

#### I. Who designed marriage? (Genesis 2:18-25)

1. God masterminded the design of marriage.
2. He wrote a manual for how marriage works best.
3. Marriage takes a lifetime of work to put it together the right way.

#### II. Why marriage?

1. God designed marriage to meet our need for companionship.
  - a. Marriage is to be a primary relationship. (Gen 2:24)
  - b. Marriage is to be a committed relationship. (Matt. 19:6).
  - c. Marriage is to be an intimate relationship. (Gen 2:23-24)
2. Marriage is a reflection of the spiritual relationship that exists between Christ and the church. Your marriage relationship reveals God's glory.

#### III. Realistic view of marriage

1. God never designed a perfect happiness and conflict-free relationship in marriage.
2. Do not look to another to complete your expectations. Rather, you are to find your fulfillment and purpose in God together.

#### IV. Yield to each other. (Ephesians 5:21-27)

1. Submit to one another out of reverence of Christ. (v. 21)
2. Both husband and wife are to yield to each other. (vv. 22-27)
